

## DECISION IS TO STRIKE AGAINST REVOLUTIONISTS

German Cabinet Decides  
Course in Crisis After  
Lengthy Session Today.

CENTRAL SITUATION  
IS GROWING WORSE

16,000 Government Officials  
Form "Army of General  
Security."

ZURICH, Feb. 28.—The German cabinet, following the three hour session, today decided to take energetic measures to suppress the revolution, according to Berlin dispatches. Dispatches also reported an ultimatum has been sent to "the illegal soviet government" at Munich.

The situation in central Germany is said to be growing worse. A state of siege has been proclaimed at Ansbach, Regensburg, and Leipzig. Reports also reported that only 15,000 workers remain out.

WELMAR ISOLATED. The German government is practically isolated at Weimar. The only method of communication is by airplane. (Dispatches yesterday said Berlin and Weimar communication was interrupted due to the Spartacist revolution.)

## WILL BAKER, U. S. N., IS IN ICY SIBERIA

Showing that Umatilla county men are scattered to the far corners of the world, a letter was received this morning by the Patriotic Service League from Will Baker. Will Baker is in the navy on the U. S. S. Brooklyn and the letter was written in Siberia, dated January 14. He says old Siberia is "awful cold," the thermometer being 20 below the day of writing, and nothing to be seen but ice for miles and miles. He says they have a Y. M. C. A. hut in which many happy evenings are spent. So far the navy boys are the champions at basketball, playing against the U. S. and Canadian soldiers. "The Red Cross and the Y. M. C. A. are doing a great work here," he says.

## HOPF'S UPSTAIRS SHOP OPENS HERE TODAY

Amid rose colored hangings and old ivory woodwork, the new spring models in women's apparel are on display today at the opening of Hopf's Upstairs Shop.

The establishment is fitted with cabinets, mirrors, rugs and hangings which carry out the color scheme. The furniture which has not yet arrived will be used to complete the furnishings, as well as wicker baskets of flowers.

Carl Hopf, the proprietor of the new addition to Pendleton stores, is well known here, having been associated with the Paris store. He has chosen the leading lines from several eastern houses to be introduced in Pendleton.

## GREET WAR HEROES AT DEPOT TONIGHT

Besides Captain Fred Lousheim, wounded war veteran, another hero will arrive today on No. 18.

It is Sydney J. McTeyside, who was wounded August 28 while in France and who is on his way to Pilot Rock to spend a furlough with his parents. Mr. and Mrs. H. H. McTeyside, As a member of the 4th Engineers, 4th Division, he was not only wounded but was badly gassed. He has been recuperating at Whipple Barracks, Arizona.

Pilot Rock claims both men: McTeyside as a native son, and Dr. Lousheim because he was a practicing physician of that city. For this reason a delegation of Pilot Rock citizens is here today to join with Pendleton in welcoming the soldiers. The local band will lead the reception committee.

## REPUBLICAN PROGRESSIVES PLAN PROGRAM

WASHINGTON, Feb. 28.—Progressive republicans will meet within a few days to consider whom they will back for president in 1929. Senator Kenyon today announced.

House and senate progressives will attend the meeting, besides a few leading progressives not in congress. The time and place has not been definitely decided. The gathering, however, will probably be soon after the adjournment of congress and it will likely be held either in Chicago or Washington, Kenyon said. In addition to discussing what man they will set behind for the 1929 campaign, the progressives will formulate a legislative program upon which they will seek action at the coming congress. Political gossip has named Senators Borah and Johnson as possibilities for the regular republican nomination of 1929. Both are progressives. Third party talk is not encouraged by the progressives. Apparently secession is not in their minds. Some of the most influential frankly discourage it.

## OFFICER IS HONORED BY PENDLETON ELKS

Fully 100 members of Pendleton Lodge No. 288, B. P. O. E., were present at the meeting last evening at which Dr. H. L. Toney, of McMinnville, chief deputy grand exalted ruler, was the guest of honor. Dr. Toney gave the members a very fine talk on the fraternal and patriotic endeavors of the Elks' order.

It was voted for the lodge to attend in a body the reception at the depot this evening to Captain Fred T. Lousheim, meeting at the hall at 4:30 to march to the depot; and to be at No. 17 tomorrow to meet Lieutenant James Sturgis, both of whom are members of the lodge.

A class of seven was initiated last night, as follows: E. J. Tidloch, Arthur J. Hutton, Barney Oldfield, C. J. Sears, C. O. Branch, Fred L. Kirkpatrick and C. P. A. Loneragan.

Following the meeting refreshments were served and a pleasant social hour passed.

## STARTLED ATTENTION WON FOR AUTO SHOW BY PENDLETON PEP

It took just a little war paint, a display of sombreros, shaps and spurs, a few war whistles, shouts from twenty six shooters and a demonstration of pendleton pep to bring the Round-Up auto show, March 12, 13, 14, 15 to the startled attention of Portland Wednesday night.

All was well at the Ford banquet at the Benson when the "sons of guns" from Pendleton broke up the party with a flourish of revolvers, heralding the arrival of "Chief" Bob Fletcher, or doing a regular war dance with all the frills included. After partaking of refreshments he was named Chief Firewater and proceeded to tell in his most polished Chinook, just what happened at the show. Asa Thomson of Echo, acted as interpreter.

The wild-and-woolly's then made a visit to the auto show and proceeded to shoot up the place before going to "Slippery Gulch," the home of the bootmakers, and to Portland hotels and cafes.

The delegation from here included C. P. Paulsen, W. J. Burns, J. T. Hale, George Wallace, R. D. Bado, Homer Krebbel, J. B. Allen; V. E. Snavely, P. Hilbert, L. V. Cochran, Kyle Long, Bob Simpson, Lee Drake, Bob Fletcher, L. C. Menton, Clyde McKay, John Myer, Frank Sullivan, H. C. Clausen, all of Pendleton; Victor Burke of Athens; Asa Thomson, and John Schimke of Echo; L. D. Lay of Hermiston.

## WILL NOT RETURN R.R. LINES IMMEDIATELY

WASHINGTON, Feb. 28.—There will be no "immediate or precipitate" return of the railroads to private ownership, Director General Hines today announced. He declared there will be no relinquishment of the roads "until there has been opportunity to see whether or not a permanent program of constructive legislation is likely to be considered soon."

Hines conferred with President Wilson relative to the disposition of railroads and he announced today that Wilson authorized him to say there will be no sudden relinquishment of the railroads.

## FLYING CORPS MAJOR DIES IN PLANE CRASH

CORLENS, Feb. 28.—Major H. B. Anderson, commander of an observation group of the fourth corps, was killed today while flying in a Fokker machine the Germans had surrendered. He attempted to reach Coblenz field despite motor trouble, but the airplane crashed.

## SHOWING FRENCH HOW AMERICANS FIGHT FIRE

Yankee firefighters showed the ill-equipped French companies a trick or two when called to a house in Hesse, a suburb of Bordeaux. The American Expeditionary Force had taken to France motor engines, pumps, and chemicals and manned them with trained Americans. When they dropped a line of hose over the side of the French docks and set the machine in the picture pumping in record time the French almost forgot the fire in their amazement.

## WOMEN OF COUNTY TO AID IN SWELLING ROAD VOTE

There will be an intensive organization in Pendleton to get out a large vote for the road bond election next Tuesday. An effort will be made to get that every man and woman who has a vote is given an opportunity to vote. As a means of reminding the people to go to the polls, there will be two taps of the fire alarm every hour while the polls are open.

Following are the women appointed by Judge C. H. Marsh from every voting precinct of the county to take a leading part in getting the women out to vote on the bond issue, in the effort to get a full expression of the wishes of the people on the question:

Mrs. Sam Heon, Cottonwood; Miss Myra Ballou, Fernside; Mrs. Fred Krahn, Fernside; Mrs. D. J. Kirk, Umapine; Mrs. E. J. Davis, Sunny-side; Mrs. C. B. Miller, Freewater; Mrs. Howard Mansfield, Freewater; Mrs. Earl Bacholmow, Freewater; Mrs. G. W. Miller, Mrs. G. A. Price, Mrs. W. H. Bailey, Mrs. H. M. Wright, Pilot Rock; Mrs. R. C. Reeder, Vinson; Mrs. Fred P. Fletcher, Willow Springs; Mrs. A. S. Quant, Albion; Mrs. James Mossie, Chah.

## TAFT TO JOIN WILSON IN TALK FOR LEAGUE

NEW YORK, Feb. 28.—Ex-President Taft today accepted the invitation to speak with President Wilson on the subject of the league of nations here Tuesday night.

Original Party to Return. On his return journey to resume his duties at the peace conference, the president will be accompanied by Mrs. Wilson, Admiral Grayson and other members of his immediate party who made the original trip. He will speak Tuesday night in New York in a final appeal to the country for support of the league of nations.

Teams Go to Milton. Members of the boys and girls basketball teams of the Pendleton high school left immediately after the close of school at noon today for a game at Milton, which will be played there this evening. The members of the girls team are Vashita Hoskins, Mildred Rogers, Marjorie Ireland, Evelyn Nord, Alberta McMonies, Irene Redd, Evelyn Davis and Brenda Rhee. The boys are Ned Straborn, Russell Akers, Jens Thorgeson, Edwin Kirtley, John Saunders, Lawrence Warner, Lloyd Montgomery, Edward Thompson. The two coaches, Miss Margaret Crim and Holman Perrow, will accompany the two teams.

Plans completed today for the Red Cross canteen building at the O-W-N. N. depot show that the building will be modern in every detail. Arrangements are being made to have a plentiful supply of hot water on hand for dishwashing, with a sink, with a two foot draining board on each side. Hot coffee will be a simple matter when the new electric stove is used. Electric lights also will be provided.

As for serving facilities, there will be a six inch ledge on the outside of the building, below the seven windows on the east side, with this ledge extending three feet, table fashion, into the interior of the building. Thus food can be kept in readiness and the opening of the windows will provide the lunch counter. Besides these windows there will be four on the north side and four on the south to insure sufficient daylight. The house itself will be 12 feet by 24 feet.

Construction of the building will begin Sunday morning, as labor unions have unofficially promised labor for that day.

LOAN BILL FAVORED. WASHINGTON, Feb. 28.—The Victory loan bill providing for a six billion short term note issue was favorably reported to the senate today.

## 1919 SESSION OF LEGISLATURE DOES BIG WORK

Official Adjournment Taken  
at 4 Yesterday, Policy  
Now Before Voters.

SENATE ADOPTS LT.  
GOVERNOR MEASURE

Road Legislature is Fea-  
ture, Reconstruction  
Record Set.

SALEM, Feb. 28.—Official adjournment of the Thirtieth Oregon legislature was taken at 4 o'clock yesterday afternoon.

When it passed into history it left behind it a record of solid accomplishment along big conservative lines not equaled in Oregon legislative annals.

For instance, no Oregon legislature before has attempted such an ambitious road program as the one which resulted in a \$10,000,000 bond issue, a license tax on gasoline, a proposal for a 1-mill road tax to raise \$1,000,000 and a complete conservative outline for a mighty system of good roads.

Four o'clock was the hour set for adjournment in the concurrent resolution adopted by the two houses, but as a matter of fact the last roll call in the senate took place at 3:30, but as the hand of the big clock had been stopped at 3:51 the official records will show the last roll call as being held at that time.

People Decide Lt. Governor. It is now up to the people to say whether or not the vision of the legislature is to come true or to be blotted out by the halloo.

By what was charged as undue influence and steam-roller methods, the senate by a vote of 18 to 11 passed house joint resolution 31, submitting to the people at a special election June 3 the question of creation of the office of lieutenant-governor. The resolution, if accepted by the people, will enable the governor to appoint his own lieutenant.

The last hour of the legislature's life was consumed by the two houses in reaching an agreement on the automobile license tax bill. The house had passed the bill with the license fees materially reduced from the amounts agreed upon in the roads and highways committee.

Senate Boosts License. When the bill came over to the senate the license fees were again boosted. The house refused to concur in these changes. Conference committees were appointed, and these committees finally worked out a compromise scale of fees which were adopted.

As the bill now stands the annual license fees will be as follows: Automobiles up to and including 23 horsepower, \$15; in excess of 23 and inclusive of 24 horsepower, \$22; in excess of 24 and inclusive of 29 horsepower, \$28; in excess of 29 and inclusive of 34 horsepower, \$36; in excess of 34 and inclusive of 40 horsepower, \$48; in excess of 40 horsepower, \$56.

Session Ends With Songs. While the two houses were waiting for the conference committee to agree they indulged in the usual closing speeches, songs and other evidences of good fellowship. Senator Moses, on behalf of the senate presented President Vinton with a handsome gold watch, on which was inscribed "Presented to president of senate this 28th day of February, 1919."

Vinton Thanks Senators. In response to the words of good will expressed by Senator Moses and the token of appreciation which had been presented to him, President Vinton thanked the senators and then pointed out some of the big things which had been accomplished by this legislature.

He declared his belief that the sentiment of the people of the state is solidly behind the road program adopted by the legislature.

## TRANSPORT RAMMED NEAR LIBERTY STATUE

NEW YORK, Feb. 28.—While rounding the Statue of Liberty late this afternoon the transport Aquitania loaded with returning soldiers was rammed and badly damaged by the Lord Dufferin, a British cargo steamer, one man of the latter's crew was killed and several were injured. The Lord Dufferin is reported in a sinking condition.

SETTLEMENT DECLARED NEAR. PARIS, Feb. 28.—Foreign Minister Pichon today announced that the shooting of Clemenceau deferred the decision on the Russian question. He said he believed an agreement on the general policy will be reached soon without great difficulty.

Regarding reparations Pichon said when it is known what amount Germany will be able to pay toward the total claims of the allies it will be easy to agree on the proportion due each.

NEW YORK, Feb. 28.—The Victory loan bill providing for a six billion short term note issue was favorably reported to the senate today.

## NEW TIE UP TOMORROW IS FACING N. Y.

NEW YORK, Feb. 28.—Unless President Wilson interferes New York will be tied up by a strike of marine workers tomorrow, according to President Delaney of the marine workers affiliation.

ITALY CABLES  
SUPPORT FOR  
LEAGUE PLAN

WASHINGTON, Feb. 28.—Premier Orlando today personally cabled President Wilson assuring him the wholehearted support of Italy in the formation of the league of nations.

## BRITISH LABOR CRISIS BELIEVED AVERTED

LONDON, Feb. 28.—The feeling prevails in official circles that the creation of an "industrial parliament" containing representatives of capital and labor, together with the miners' decision to postpone their strike until March 22 has temporarily averted the labor crisis.

Nobody, however, is willing to predict that the situation has been eased up more than temporarily. The final result of the move to reach an understanding on industrial problems, it is said, depends upon the confidence shown by the labor delegates in the new "industrial parliament" and the ability of union labor to prevent unauthorized strikes by the more radical elements.

## WORK STARTS TOWARD NEW BANK BUILDING

The plans for the Inland Empire Bank building at the corner of Main and Court streets have been completed by Raymond W. Hatch, architect, and are now ready for proposals for doing the work.

The entire front of the building will be changed and the south wall which is solid brick will be replaced with columns and large plate glass windows. The entire lower floor is to be used by the bank. The second story is planned for office rooms and are arranged to be among the best in the city.

The first work in preparing the building was started today, and plumbing is being taken out to clear the way for excavating for the basement.

## BULLETINS

WASHINGTON, Feb. 28.—Senate investigation of charges of mauling and decaying wheat being sent to Belgium is provided for in a resolution which Senator Calder introduced today.

TAKE OVER GERMAN INTERESTS. WASHINGTON, Feb. 28.—American capital plans to take over German interests in Venezuela, Colombia and Central America, according to Latin American diplomatic advices today.

German trading concerns, banks and development enterprises in several cases are willing to sell to American interests, it is announced, while other concerns confiscated by some of the governments that entered the war would be turned over to Americans by these governments.

MANN CONTROLS  
REPUBLICAN HOUSE  
ORGANIZATION STILL

WASHINGTON, Feb. 28.—Representative Mann still controls the Republican house organization despite his defeat for the speakership by Representative Gillette. Mann retains control by virtue of his position as chairman of the committee on committees for which he fought and won in a stormy secret caucus last night.

It is learned that Mann proposed a committee on committees of one man from each Republican state with power to cast as many votes as his state has Republican members.

The proposition carried overwhelmingly, giving Mann's forces control of a majority of votes in the committee which will select the floor leader, revise rules and make committee assignments. However, Mann said today he would not accept the floor leadership.

Mann was given an ovation of several minutes when he entered the house today.

THE WEATHER  
FORECAST  
Tonight and Saturday rain or snow.

PHOENIX, Feb. 28.—A score of uniformed soldiers attended the second meeting here Sunday night of the so-called soldiers, sailors, workers council, and presented resolutions denouncing the organization and demanding that the words soldiers and sailors be dropped from the name of the organization.
